ABOUT ME

To My Future Shark,

Are you ready for first grade? I am CHOMPING at the bit for our new school year to start. We will work together as a team to develop the skills you'll need to be FINTASTIC in reading, writing, math, science, and social studies. We will also DIVE into God's Word and learn about the gifts He has given us. We will work really hard together, but I promise we'll have lots of fun, too.

I am very excited to meet you and learn all about you. Are you wondering about me? My name is Mrs. Christina Smoot. This will be my 11th year teaching at Bethany! My husband Ryan and I just celebrated our ninth wedding anniversary and we have been blessed with two beautiful daughters: Coralyn and Raylan. Coralyn will be in second grade this year and Raylan turned 1 in June. I can't wait to tell you all about my family this year. We love taking trips as a family to our cabin in Green Valley Lake or to Lake Nacimiento. We also enjoy dining out for sushi or grabbing dessert at Creamistry (I like their non-dairy ice cream since I'm allergic to dairy)!

Preparations for our new school year are going SWIMMINGLY. I want our classroom to be a safe and engaging place for you. I've chosen to decorate it like my absolute favorite place in the whole-wide-world-- THE BEACH! I love the beach and all things teal in color. We will also have some cool shark decorations in our classroom. The only thing missing is YOU! Be sure to check out our supply list. All items should be brought on the first day of school in a large ziplock bag (organization is key to helping you be successful). I will help you sort it all once you get here.

I look forward to learning all about you and helping you discover who God made you to be! I am praying for you already. Can't wait to see you on September 10th for our first day of school. This year is going to be JAWSOME!

Love your teacher shark,
Mrs. Smoot
